**SECTINO<sup>®</sup>**  
MOULDINGS

**Sectino Mouldings supply the perfect finish for quality hardwood flooring.**

In this section we present a comprehensive range of mouldings, thresholds, nosings, skirtings and accessories that are available off the shelf or, for larger contracts, as bespoke, made to measure solutions.

Available in pre-lacquered and un-lacquered timber, our select range of accessories, are made from the finest wood and machined to a very high standard. The products are individually packaged in water resistant sleeves to maintain shape and protect from scratching.

With species ranging from maple to merbau and numerous shades in between getting the exact match shouldn't be a problem, and for more unusual combinations the versatile unfinished range can be used with stains, oils and waxes to give the required effect.

If it isn't in this section, don't panic, contact sales and ask about the Sectino bespoke service. With our experience and your aspirations, the results are limitless.
